FOREWORD AND CONTENTS

The school year of 1959-60 will soon be drawing to a close and we have seen events of great importance on local, national, and international scenes. However world-shaking events might be, this school year will be memorable to us, because for some it is the end of a high school career and the opening of many new doors; for others it is the beginning of the high school day — but whether we are graduating seniors, hopeful juniors, or bewildered sophomores

WE WILL REMEMBER . . . SOUTH OAK CLIFF 1960

Dear Soc-ites:

Of South Oak Cliff High School's many accomplishments during the school year, 1959-60, one of the most outstanding has been the development of our fine school spirit.

All of you have made great progress in this important phase of school life and the results are certainly apparent. I know that your work has extended far beyond normal expectations.

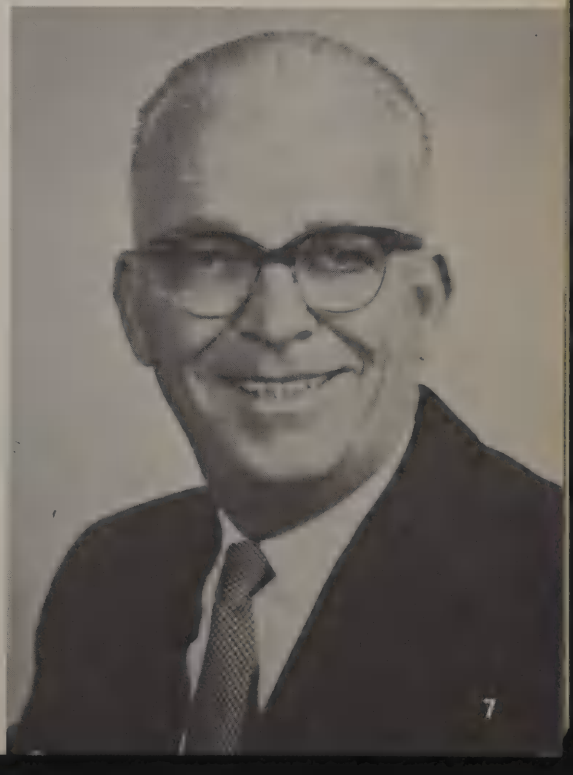

I should like to express to you, both personally and in behalf of the school, sincere appreciation for the splendid interest and enthusiasm on your part which have been reflected in South Oak Cliff High School's many accomplishments during the year.

Cordially yours,

SOC vs. Crozier Tech

This was the initial game of zone play on January 5. Going high for the rebound for SOC is Larry Hooten, number 22. Looking on is number 31, Malcolm Walker. SOC won 72-30 with Malcolm Walker and Sidney Wall each scoring 16 points.

SOC vs. Adamson

In the second game of the season SOC found a rock in the road to glory by the name of Adamson. The Bears went into overtime to beat the Leopards 44-48. Sidney Wall led with 18 points while Mike Tanco followed closely with 17 points.

Sixteen free throws made helped bring the Bears to victory. Identified in the picture are Malcolm Walker, 31, and Cliff Hankins, 32.

SOC vs. Thomas Jefferson

The two consecutive victories over Thomas Jefferson set SOC up with the first city championship ever to come to SOC. The Bears won their first game in their usual deliberate and well-planned style of attack, 52-47, then took the second, 50-48. Identifiable for SOC in the photo are Cliff Hankins, 32, Sid Wall, 25, and Malcolm Walker, trying to block all-state Dave Somerville's shot.

SOC vs. Texarkana

After a win over Texarkana on February 26, SOC began preparing to go to Austin for the State Meet. The final score resulted in a victory for SOC, 34-29. Sidney Wall and Mike Tanco led SOC with nine points each. The scoring was continually tied at each quarter, 8-8 in the first, 13-13 in the second, 20-20 in the third, until SOC pulled ahead in the last few minutes of play to end the game 34-29. The picture shows Sidney Wall, 25, making a basket with Mike Tanco, 23, at the left.

Malcolm Walker gets up there, while the rest wait to see where the ball will come.

Ann,

I think I shall just sign it "Good Luck" but since that would never substitute for all the many wonderful things I have to say I'll just add to that little phrase. These past four years have been the most fun. Much of this fun was spent with you. The many times we have talked, argued, and not spoken have all been a part of what I'd call a good friendship. I sincerely hope all the good fortune possible follows you in all your endeavors and that God blesses you and keeps you safe always.
